Action International Ministries...

... an evangelical non-denominational mission agency committed to sending multi-national missionaries who treasure Jesus Christ and minister His Gospel in word and deed, primarily to the poor through evangelism, discipleship, and development. The mission currently has over 250 missionaries in over 24 countries. **Our goal is to know God and take action!** (Daniel 11:32)

Josh

Josh is passionate about the Gospel and the Glory of God! He is completing his Master's of Divinity at Southern Theological Seminary. Josh graduated from Messiah College with a B.S. in Psychology in 2000. He has been serving full time at Faith Baptist Church since 2005, preaching and teaching, coordinating the outreach teams (missions team, local outreach team, and welcome team), the music team, the Young Adults' ministry, counseling, and meeting many other needs. He lead the church's first missions trip (to Kenya). He thrives on mentoring, discipling, and counseling men and couples. Josh also plays the guitar, sings, and enjoys music of many forms.

Abby

Abby is passionate about the Glory and Sovereignty of God! She is a Family Medicine physician, specifically trained in the care of children with special needs, obstetrics, adult medicine, HIV care, international medicine, and medical Spanish. She is currently on faculty at the Lawrence Family Medicine Residency Program as the Global Health coordinator. She is working on her Master's of Public Health. She received her medicine degree (MD) from Penn State College of Medicine in 2005 and graduated from Messiah College in 2001 with a B.S. in biology/pre-med and minors in church music and chemistry. Abby loves being a wife and mom and she also plays the violin and sings. Abby has served on the church's missions' team, the music team, the youth group, and in a support role for Josh's ministries. She is most excited about working with children with special needs.

Gracie and Ana

Gracie was born in December 2003 in Liberia, West Africa with cerebral palsy. God united us as a family in 2006 and Gracie has been a treasure to us ever since, a living image of God's Grace in His adoption of us as full heirs to His kingdom! Gracie makes friends very quickly with her contagious laugh and captivating smile. Ana was born in December 2007 and keeps us on our toes with her charm, cleverness, and energy!

RATTIN FAMILY NEEDS

1. A prayer team of at least 100 people – This is a commitment to pray for us on a regular basis for as long as you are able.
2. Financial support – For our outgoing needs (getting to the field, language training, setting up a new household, getting equipped for our ministries) as well as monthly support. We are entirely supported by your contributions.
3. Church support – Send your church to visit and serve with us on the field, prepare special projects for orphans and widows, partner with us in ministry, etc.

Biblical basis for supporting missionaries: Luke 8:1-3; Romans 16:1-2; Galatians 6:6 & many more.
