

Hello Everyone,

The day has finally come; I've graduated from seminary! I am amazed every time I think how the Lord brought me here, and through these past three years—our God is so great! Thank you all for your many prayers, and for your financial support which enabled me to focus full-time on my studies. What an amazing three years it has been, what a blessing from the Lord.

So what's next? Well, Christiana and I will be moving back to the Bay Area at the end of May, to live with her parents as we anticipate the birth of our first child (due in October!). We are then planning on leaving for Cambodia in January 2010.

Many transitions are ahead, and we so appreciate your prayers. We are also raising support for our outgoing expenses (plane tickets, car etc.), as well as our monthly support for ongoing ministry. We would appreciate specific prayer in that regard, especially with the current economic crisis. We would also ask that you prayerfully consider if the Lord would have you partner with us financially.

There is much need in Cambodia, and we are looking forward to serving the Lord to His glory. Thank you all again for your incredible support during these past three years at seminary! You have blessed us more than you can know.

Because He lives,
Nathan and Christiana
