TAKING ACTION WITH ACTION!

Action International Ministries (ACTION) is an evangelical, interdenominational missionary-sending agency that works in Africa, Asia, Europe, and Latin America. Their strategy for urban ministry involves evangelism, discipleship, and development.

ACTION networks with local churches, national organization and other mission agencies to reach people for Christ, and seeks to train them in Christian living as well as assist them in their physical and economic needs.

It is with great joy that we announce to you our acceptance with Action International Ministries as career missionaries! The ACTION USA office will be helping us by handling our finances, insurances, newsletters and so much more. We are so thankful to the Lord for allowing us

Faith, Don, Renea, Lydia and Alivia at the Lifehouse Village property.

to be a part of ACTION, and we look forward to a long-term relationship with them!

Opportunities for partnership:

One of the most crucial lessons that we have learned is that any successful ministry requires a group of committed partners. There are many ways that you can be involved with Lifehouse through prayer, financial giving or

coming to visit as a family, team or youth group. There are opportunities to serve in construction at the property or the Drop-in Center. The Filipino culture is a loving and warm people group that welcomes visitors. You will feel immediately connected and experience life-changing events as you witness how God is working here at LVM!

PARTNERING WITH US IN REACHING OUT
