Help a child in crisis ...

Nicaragua is the third poorest country in the Americas. The revolutionary conflicts of the 70's and 80's caused widespread destruction, economic instability and the displacement and disintegration of families.

"One in three children has some degree of malnutrition. One in four families has no male provider. Family violence leads to family disintegration and a culture of violence" (from UNICEF website.) This has resulted in neighborhood gangs, street children, glue-sniffing and child prostitution.

A group of students from the Mennonite Bible School began to pray about what they could do to show the love of Jesus to children at risk. In 2003 a ministry to "children at risk" was begun in Diriamba. Through the generous donations of Christians of the Evangelical Mennonite Conference the infrastructure for an orphanage has been provided. CINAG (Gethsemane Centre for Children at Risk) has a resident program for 20 girls and a day program three days a week with children from needy homes.

Please sponsor one of these children!

How Sponsorship works:

- Photos and brief biographies of a child will be sent to the sponsor from the ACTION Canada office
- Regular letters/reports will be sent to sponsors through the on-site missionary and the ACTION Canada office
- Sponsored child/house-parent will write a thank you letter to signify receipt of any gifts for birthdays/Christmas etc.
- No personal addresses will be disclosed (to comply with privacy laws), neither the child's nor the sponsor's, so do not include your address in the letter to the child.

*Defend the cause of the weak and fatherless;
Maintain the rights of the poor and oppressed
Rescue the weak and the needy;
Deliver them from the hand of the wicked.
Psalm 82:3,4*
