

Christmas Outreaches 2010

Led by ACTION missionaries worldwide

From Robert and Silvana Meikle —

There were approximately 70 children and youth in attendance at our Christmas party on a beautiful, sunny day in December in São Paulo, Brazil. We began the day with prayer and then played field games. Everyone cooled down in a swimming pool after playing in the sun. We enjoyed a big barbecue together for lunch and ate popsicles for dessert. After lunch we shared the message of Christmas with the youth and their parents. Some of the parents and young people heard the gospel for the first time that day! We praise God that everything we planned went smoothly, and ask for wisdom as we follow up with the parents and children who attended this party.

From Erin Johnson —

We had a wonderful ACTION Christmas party at Hope Christian Fellowship Church in Silang, Cavite, Philippines. Almost all the children and youth we minister to regularly in Silang through our Street Impact Team outreach to street children, and their parents and neighbors, were able to attend. We had over 150 guests! Many people heard the gospel that day and came to know the Lord.

From Carmen Salacsacan —

A special Christmas party was held for about 30 ladies who attend weekly Women's Fellowship meetings at Boyeros Ministry Center in Texcoco, México. The women enjoyed a light dinner, played games, sang carols, made crafts, and shared what Christmas means to them.

From Nathan and Christiana Wells —

Christmas in Phnom Penh presents us with unique opportunities for sharing the gospel because very few Cambodians know the true meaning of Christmas, yet most are interested to learn. A few days before Christmas, we sang carols to people in the houses around us and met many of our neighbors.
