Our Wake-up Call
“Arise from the dead...” (Eph. 5:14)

Feb. 17, 2010

Dear friends,

My walk with Jesus can be found in **Phil. 4:6-7**, whereby the aforementioned “peace” cannot be narrated in human terms. Indeed, I am far from perfect, but as it says in **Psalms 63:8**, “My soul followeth hard after thee (Christ)....”

In my last two HH’s, a few “eyebrows were raised” with my observations leaning more towards the spiritual side. For those of you who care to be captious, let me ask you where you intend to spend eternity. **2 Cor. 3:6** says, “who also made us sufficient as ministers of the new covenant, not of the letter but of the Spirit....”

Hebrews 1: 13, 14 speaks about “ministering spirits” (angels) being sent forth to those who will inherit salvation. Suffice it to say that I do not yet have Alzheimers, have not yet been labeled “dangerous” and my four plus years at Prairie Bible Institute was God-honoring.

Praises and prayers for the past month can be found in the following synopsis: Re. Ricardo, we visited him on the afternoon of the 8th, his 66th birthday. With you praying and Renea and I sharing, he didn’t have a chance. **Praise God for welcoming another brother into the Kingdom, this one a spiritual birthday. Pray for the rest of Linda’s family to also trust Christ and for Ricardo to grow spiritually.**

Rhoda Gerona began the **Ilizarov** leg-lengthening procedure in September, 2007. Since then, her short thigh has been lengthened over 20 cm. But due to some complications, Dr. Emmanuel has decided that discontinuing the treatment at this time outweighs the possible danger to her continued treatment. The fixator will be removed in either April or May. Then we’ll be looking for a special shoe for her to wear. A possible operation on her dislocated hip will be years in the future. **Pray for her and the family to realize that life on earth is merely a training camp for eternity in Heaven.**

Pray for the Buchens. Currently, Don (in Idaho with the kids) is experiencing some disparity with their home church. **Pray for the direction that the Lord wants Don and Renea to take.** Meanwhile, Renea is looking forward to the 22nd, when the adoption court case with Lydia will transpire. **Pray that Lydia will officially become a Buchen...with no ‘red tape’.**

Ruben is back and all of our seven kids are doing fairly good. Their next and major tests will be their periodicals in March. **Pray for motivation for them to finish strong and for Angie as she seeks to make contact with the other seven that we’ll need for the next school year in June.**

Our faithful caretaker at the Village (Nelson) has tested positive for tuberculosis. **Pray for healing and that the air-born germs would not translate into Maricel, the pregnant wife of Corns.**

Finally, pray for 100% support for the Buchens, safety for the workers as they prepare to lay the gym roof, finances for the Center as our overhead is high...but well worth it!...and for more Warriors on the Walls. “If you have faith as a mustard seed... nothing will be impossible for you.” (**Matt. 17:20**)

Miscommunication with my publisher: in my latest prayer letter, my landline should read – 0116347222-0104 and my cp – 011639081440755.

Please pray too for DSL to arrive soon at our location. It’s been three days since I was able to get on the Internet.

God bless,
in Christ,
