Urgent Prayer

Prayers:

1. Renea's been hospitalized with serious sickle-cell complications: difficult breathing and numbness in her left side plus jerky movements which led to an earlier cat scan. Pray for God's mercy and for His healing power. Pray too for Don as his responsibilities are huge.
2. Baby Lydia's adoption hearing is on March 4. Pray for the presence of her original mom.
3. Warriors on the Wall. In Nehemiah, as he supervised the rebuilding of the walls in Jerusalem, prayer is mentioned eleven times. The Buchens originated this plan here some time ago. As the Lord speaks to you, select one hour of the week to pray for **Lifehouse**. There's 168 hours in a week. I've chosen 2:30 – 3:30 A.M. on Wed. What about you? Let's get together on this. It's only through prayer that we can be victorious. Pick a slot, send me your time and I'll keep you informed.
4. Lifehouse Drop-in Center (LDC) is being built! It's going to be an excellent place for kids. Beginning in May, a 5-day week (max 15 kids) for drop-in will begin. Followed in June by a 4-girl, 4-boy live-in program with school attendance. We need financial help! Several property projects, salaries for our live-in mom, social worker, cook, "house-equipping" and school expenses, food expenses, remodeling, etc.
5. Lifehouse Village expenses. We still need money to complete the Base house and then Orphanage. During the Buchen's absence, wouldn't it be great to see a major part of this building completed? Our soon-to-be-finished guest room at the LDC will be able to house up to five "workers". Any takers? 😊 What a great way to spend one's summer. Bring your team and some extra cash and we'll supply the board and room!
6. **LDC** vehicle. I've got a Vehicle Proposal fund to be discussed at ACTION's Board meeting this week. We need a vehicle and a well-kept 2nd hand Revo with an asking price of P400, 000 or \$8, 368 may be just what we need.
7. **LHV** vehicle. This "green machine" is running on prayer. Recently (for the 2nd time), the sliding door fell off and again, fortunately, no one was hurt. On their home assignment, they will be also seek support for a new van.
8. One of the premier goals of the Buchens will be to raise financial support. A family in Sask. has requested them to visit their church. Their home address is in Idaho and their e-mail address is lifehousevillage@gmail.com and their website is www.lifehousevillage.org. As I mentioned before, you won't be disappointed with their presentation. Both are musically gifted and Don preaches.

Praises:

1. Great job being done on **LDC**.
2. House-mom, cook and social-worker for **LDC** have all been confirmed.
3. Only one more step to acquire our DWSD license.

In Christ,

Ron
