When a baby Jenilyn was born wt. 3 lbs. 5 oz. Wow! There was another baby inside and yes sure enough baby Jeraldine was born 5 minutes later 3 lbs. 8 oz. Mother and Father were surprised and pleased to have identical baby girls as they have 3 boys. The boys also were very excited. What a Blessing from the Lord.

surprise #1

Welcome back!

As soon as I arrived from the airport my midwives were waiting to welcome me back and had merienda ready for Filipino delicacies.

What a surprise! On the next day, Ptr. Frank and patients welcomed me back.

The twins and their Parents and their three

Surprise #3

At long last permission to cut down the trees on the land to build the new Birthing Homes was finally granted. Although one buys land in the Philippines, you are not allowed to cut down trees without permission from the government. We had to pay a lot of money to the authorities to cut them down.

Most of the large trees have been cut down, ready to start the excavation. The wood is very old but

good to make furniture for the new birthing home.

Sis. Mavis and Maricor sitting on the cut down trees.

Mr. Buddy, who is in charge for the whole building project and his workers who cut down the trees for birthing home furnitures.

Praise Items

1. That all our building plans have been accepted by the various departments and Associations.
2. We have had lots of twins born this year, some of which were unexpected, and we Praise the Lord for safe deliveries.
3. We have had lots of twins born this year, some of which were unexpected, and we Praise the Lord for safe deliveries.
