A rarity in photos... we are both smiling!

Hello to all our family and friends,

We trust that you are enjoying the summer and this pleasant, warm weather!

Our family has been busy over the last few months. Carol has been teaching until the end of the school year while Nathan has been completing a course at Tyndale.

Beginning the first week of July, our entire family attended the two week COPE training with MissionPREP in North York. It was a truly unique time as we met others on similar journeys, discussing the realities of living in a different country, culture and issues related to these times of transition. We feel enriched by the knowledge and experience our facilitators brought to the course and felt that this was a worthwhile experience for our family.

The kids have been getting into vacation mode as the entire Hooper family planned it's first holiday out East to the Maritimes. We all took the 2 day trek through Quebec and stayed in Pugwash, Nova Scotia for 5 days. We had a great time visiting Halifax, PEI, and spending time on the beach. All 13 grandkids and their parents were grateful to have celebrated Mom and Dad Hooper's 40th wedding anniversary together.

We have also spoken in several small groups to share what we will be doing in the Philippines with Action. We are still looking for more occasions to speak and would appreciate any opportunities that you may be able to provide for us, like: hosting a meeting for friends that may be interested in supporting us or connecting us with your church. We would also like to remind those who have promised donations but have not sent us the details (via email) to please do so as this will help us assess where we are financially and greatly increase our prospects of going in January. Please pray for continued encouragement and perseverance as we by faith, make plans to depart.

Caleb, Hannah and Miriam at their first stop on vacation.

Love in Christ,

Nathan and Carol
