“... I know whom I have believed and am convinced that He is able to guard what I have entrusted to Him for that day.”

2 Timothy 1:12

November 2009

Dear Praying Friends,

As we instruct the children through God's Word, our desire is for them not only to learn intellectually, but most especially for them to practice what they learned in their daily lives and be a testimony to their family. Ian has been attending our Bible classes for several years now. He has a newborn baby sister. A friend of his mother gave the baby a “superstitious” bracelet. When his mother was about to put the said bracelet to his baby sister, he said: “No my sister won't wear that bracelet, it is Jesus who is taking care of her.” It was the mother who told us the story and the baby never wears the “superstitious” bracelet.

Ian first came to the ministry center in one of our Christmas parties. He became interested in knowing more about Jesus and started attending our Bible classes at the ministry center. He accepted Jesus as his personal Lord and Savior. Day by day he is growing in the knowledge of our Lord Jesus Christ. His mother is now attending Sunday Worship Services and

Wednesday night Bible studies. PTL!

For sure, the evangelistic Christmas party is one of the activities where we can share the gospel to children at risk and street young people. This year Pacto en Acción and ACTION ministries around the world are planning evangelistic parties not only to give gifts and special meals to children at risk and street young people, but most importantly to share why Jesus came into the world.

This year, we at Pacto en Acción are planning a Christmas party for 300 children in Juan Pablo II. We are excited for, hopefully, we are going to have the party in the new building

that the Lord has given us. We are also planning a Christmas party for the street young people. Please pray for the finances that we need to make possible the Christmas parties that all of us ACTION missionaries, are planning this year. Please pray that many will come to know our Savior through these parties.

This is the second floor of our church/ministry building. We still haven't transferred to this building for I feel it is dangerous for the children. I am waiting for the installation of handrails. I don't feel comfortable having children running on those stairs without a handrail.

As soon as those handrails are installed, we will be transferring to the building that the Lord has given us.

Pray with us for finances so we can finish the the construction of this building. According to the architect to finish the first and second floor, we need \$7,500. With that we can have the handrails for the stairs, divisions for children classrooms and built-in cabinets for materials for the children.

Please pray as we continue to ministry to the street youth. One time, after sharing with them, one asked me whether those who are living in sin are already condemned. I told them that there is a solution. They need to repent and received Jesus as their personal Savior and Lord. Please pray that they will allow Jesus to change their lives and their hearts.

Please pray as well with the young people in Pacto En Acción. There are a lot of spiritual battles going on. One of the young people whom I trusted a lot in the ministry fell into sin. Please pray for him, he is now under discipline/restoration. Thank you so much for your partnership in the ministry through prayers and giving. May the Lord richly bless you.

Your partner in mission,

Raquel de Jesus
