

On Step with the Reeds

January 2011 Email Update

Dear friends and family, "Happy New Year!" One of our goals this year is to send out quick, short email updates during the three months or so between our newsletters. This will be our first!

Our wonderful Christmas season included extensive preaching by John, a noisy reunion with nieces and nephews, and a great visit from our children.

Fellow trainees at the "Critical Incident Debriefing"
Near Orlando, Florida

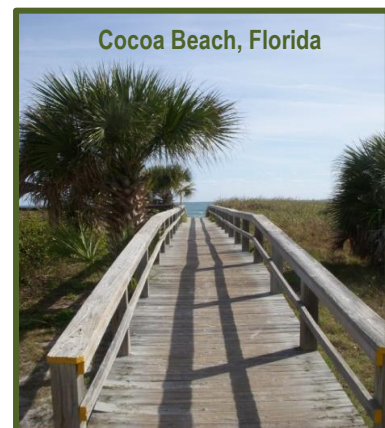

Then we "flew" into 2011 with a trip to Florida for training in "Critical Incident Debriefing." We will use this training to better serve our fellow missionaries scattered in over 25 countries.

On the last weekend of the month we will join ACTION staff at "Missions Fest" in Vancouver, Canada, to represent the Mission and to network with other mission groups from around the world.

Again, thank you for your continued prayer and financial support as we move full-time into ministry with ACTION this year.

Embracing the journey with wonder...

John & Georgie
