In Step With The Reeds

UPDATE

SEPT. 2011

Greetings Dear Friends!

Recently, one of our coworkers in India shared with us from Henry Blackaby's study, Experiencing God.

- *You cannot stay the way you are and go with God.*
- *God is always at work around you.*
- *God's invitation for you to work with Him always leads you to a crisis of belief that requires faith and action.*

Wow! Hope these truths impact you like they did us!

This summer has been amazing for us! We had hoped to visit our team in Africa this August, but the funds weren't there. So what did God do? He brought Africa to us! ☺

Two missionary couples from Uganda (Binghams and Robinettes) came through Seattle, and we enjoyed very meaningful connections with them. We also had a great time of fellowship with another couple from Malawi (Burns), and we're looking forward to spending time with the Hiltys from Zambia in October! Maybe not quite the "Africa Trip" we thought....but hey, we didn't have to get any shots! ☺

Just last week we were thrilled to be a part of welcoming three wonderful couples into the ACTION family at the Fall Orientation! Our interaction during the week allowed us to build a good foundation for our friendship and future ministry to them. Here they are!

Life is full what with hosting, speaking, visiting, writing and training. Below is our upcoming schedule for the next few months. Experience tells us there will be much more added to the mix, and to expect the unexpected. We appreciate your prayers!

- **September & November** Hosting missionaries from the Philippines and India
- **September** Sharing in Sequim & Port Angeles
- **October** At the Steer Conference in N. Dakota
- **November** Our daughter's wedding in CA! ☺
- **November** Member Care Training in Indiana
- **March** Travel to Manila, Philippines (If you would like to give towards the travel expenses for this trip, please designate that on your donation)

An update on our monthly support status:

First and foremost, we must say again....THANK YOU to so many of you have stood behind us with your prayers and giving!

We currently have 55% of our needed monthly support. This does not include our travel expenses. However, a number of people have generously given one-time gifts which have helped with these expenses. Our specific need at this time is for more monthly donors to partner with us in this ministry.

Thanks for your continued prayers. We need God's strength, wisdom and grace as we reach out to our brothers and sisters overseas.

We love hearing from you and want to be praying for you and your needs as well, so write us when you can!

"Now may the God of hope fill you with all joy and peace in believing, that you may abound in hope by the power of the Holy Spirit"(Romans 15:13, NASB).
