

"MJ'S" 2019 CUBA REPORT

The pictures tell the story of Cuba 2019 trip. Rhode, Director for "Hearts in Action" the children's program under the Cuba Eastern Conference for the Baptist Church presented me with a certificate for ministry service in Cuba these past five years. I am very grateful to the Lord for health and strength to serve the Lord in Cuba. I have been able to teach and train in Cuba because friends have given financially and prayed for me and the Team as we have travelled around to each event.

Rod bought soccer balls that had scripture written in Spanish on them. The way of salvation was very clear. We gave them to the host pastor to be used with youth in the church.

Jorge, my translator knows the chronological Bible storying training well. One of the features is using the evangee cube or card to train leaders and children how to tell the story of God. Our first year together he told me he would never teach children. He loves teaching the kids and is doing it in all over in Cuba.

Gideons gave me New Testaments written in English and Spanish. We gave these out to pastors and others learning English and are teaching the Bible. One pastor told me Bibles are hard to get. He said you will never know how precious this New Testament is to me. Praise the Lord!

We conducted six workshops in various churches around Havana and the western side of Cuba. The Team said although the groups were small the impact was great in the hearts and lives of pastors and leaders.

Pastors have asked us to teach in Maisi and Guantanamo in January/February 2020. Pray as Rhode makes the arrangements. Pray for the funds to come in for resources, travel and in country expenses.

Praise the Lord for safety during the Tornado in Havana, snowstorm in Toronto and a good Team.
