# The Heart of God

Scripture gives insight into God's love for children living in difficult circumstances — and our responsibility to help. We believe God welcomes every child: orphan, slum dweller, disabled, or refugee.

## Mark 10:13-16

No child is unknown or unwanted by God. Jesus welcomes children and does not want us to hinder them. Instead, we get to bring children to Jesus!

## Psalms 68:5

God is the Father to the Fatherless. Orphans, street children, and underprivileged children need the Father. By meeting basic needs, you can help introduce them to Jesus.

## James 1:27

"Pure and genuine religion in the sight of God the Father means caring for orphans and widows in their distress and refusing to let the world corrupt you."

# Don't Hinder, Help Children.

Children worldwide bear the brunt of the crisis; poverty, violence, war, economic woes, unprecedented hunger, and so much more.

Jesus wants to invite every child into the fullness of life. Let's ensure Jesus' promise by meeting their basic needs. With *ServeNow*, your support will care for vulnerable children! You can help serve the fatherless or underprivileged kids.

6 Challenges Vulnerable Children Face:

- Living in War Zones
- Unprecedented Hunger Crisis
- Crippling Extreme Poverty
- Inaccessible Education
- Hearing the Gospel
- Child Mortality

You can help build a better future and introduce these little children to Jesus!

# Education Centers

Quality education is a powerful way to break the cycle of poverty and transform children's lives. You can empower 500 kids to create a life of lasting change in Southern Asia!

About 1.2 billion children live in poverty. Studies forecast that child poverty will increase the most in South Asia and Sub-Saharan Africa

In one area where we serve, over 40 percent of the Kolkata slum residents have been dwelling for two generations or longer.

ServeNow operates six Education Centers in the slums where the poorest of the poor live. These precious little ones live without basic amenities in overcrowded and unsanitary, dangerous settlements.

Hundreds of millions face challenges with poverty, malnutrition, inadequate housing, poor school attendance, low learning outcomes, lack of sanitation and hygiene, and child marriage.

Many of these kids dream of becoming doctors or teachers, but the challenges cripple their future potential. You can pave the path for underprivileged children to break the cycle of poverty!

What if you could provide a high-quality education to break that cycle of poverty? Every gift of \$221 impacts one student for a year.

# School Buildings

The first step towards a brighter future is building a school. Over 38 million children in Sub-Saharan Africa are without a school to attend. You can tear down educational obstacles for orphans and poor children! Build a hopeful future today.

## Invest in Orphans and Poor Children

Education is their only ticket out of poverty. ServeNow's National Director, Moses, serves 4,000 vulnerable Ugandan children. A monthly gift of \$37 will care for one child with education, materials, uniforms, and a daily meal.

## Construct a School Building

Because of people like you, 10 schools have been built and helped hundreds of children. You can invest \$120,000 into a school building or \$60,000 for one classroom block. You will give children education and a hopeful future.

## Build a Girl's or Boy's Home

Each of the eight school centers need two family-style homes: one for girls and one for boys. You can build a safe home for abandoned girls or boys for \$300,000. Each home also requires \$5,000 a month to operate.

The war in Ukraine robbed millions of childhoods and a chance for a peaceful life. These children pay a grave price, enduring the trauma of life under siege. You can help children caught in war hear the Gospel and experience God's love!

## Introduce Kids to Jesus

About 80% of these kids have never heard about Jesus. By the end of camp, the children and youth will get to make a decision to follow Christ and join a local church.

## Allow Kids to Escape the War

Instill the hope of Jesus in 200 vulnerable Ukrainian children. Kids will be kids again—they'll find refuge and relaxation in the mountains, play silly childish games, and hear about Jesus.

## Give Back to Volunteers

Summer Camps don't just bless children caught in war. It allows our Ukrainian staff and twenty local volunteers to serve, coping healthily with the stress of war.

Your \$450 gift sponsors one kid to camp! Give a chance for 160 kids to be a kid again.

# Vacation Bible School

Poverty and spiritual darkness surround rural children in India. Many have never heard the name of Jesus. You can introduce children to the Gospel!

ServeNow partners with indigenous pastors and churches to host VBS. Kids will hear the Good News and share it with their family or friends! It also builds a bridge between the church and community.

When you sponsor VBS, you feed kids' bodies and souls! Kids will enjoy a warm, nutritious meal and Bible teachings. This will be the first time these children hear the Gospel and experience the love of God.

# Winter Coverings

Imagine you live in a rural village with cold climates and rice-terraced mountains. With poor infrastructure and limited transportation, you walk to and from school every day except in the winter. Without proper clothes, you stop attending school and stay home near the fire.

You can help provide a chance for children to stay on track with education! Winter Coverings also save lives—most families can't afford necessities to keep their children warm and healthy from the cold.

Your gift will provide in-need children with warm hats, fleece jackets, pants, and hope today! Help break down their barriers to education and life today.

Children's Activities provide imperative, educational opportunities weekly.

Your gift will support 40 of the most vulnerable children with stable, positive experiences.

# Yazidi Refugee Camp

Did you know refugee children are more vulnerable to exploitation and abuse?  
You can protect displaced Yazidi kids and help rebuild their lives.

Yazidi refugees—mostly women and children—carry severe trauma from unimaginable, horrific experiences. They were kidnapped, enslaved, abused, and displaced by the Islamic State (ISIS).
