

Dear Family and Friends,

In July, we went to ACTION's first all missionary conference called Jubilee. It was held in Three Hills, Alberta, Canada. That is home of Prairie Bible College which is where most of the ACTION big wigs went to Bible school, including my mom & dad, Rex & Donna Carlaw. My parents met there so I (Catherine) personally owe a lot to that school! It was such a gorgeous time of year to go. The canola on the prairies was in full bloom. Just imagine vast fields of yellow flowers all the way to the horizon. Just amazing! We met so many great people at Jubilee. Ethan especially enjoyed playing with other MKs his age like Charlie from Zambia and Jesi from Brazil. I'm so glad I thought to bring some tiny trucks and they loved to play in the dirt.

Hiding under the tables

The Jubilee showed everyone that they were not alone working for the Lord. There was a whole organization behind them that is working toward the common goal of spreading the gospel to every nation and making disciples. There are some missionaries that are not part of a team and who are on the field solo. I heard they were encouraged to see that ACTION is supporting them and they are not alone. Rob partnered with a team of 5 guys from Mark5Ministries to come and host a tech repair shop for the missionaries. They helped more than 30 missionaries with computer, email, and cellphone questions.

Rob was able to assist with technical needs of the four-day ACTION leadership meeting prior to Jubilee. He is invited to attend the 2016 ACTION leadership meeting in the United Kingdom in March. Fall 2016 we are also interested in an ACTION Europe Trip and taking Ethan along. Many of the details are fuzzy right now but we are checking into possible visits with ACTION missionaries in Europe. Because of the Jubilee and my Mexico trip, our Taylor-Overseas funds are totally depleted. Would you consider giving a one-time gift to make these 2016 trips possible? See our response form.

Did you know? If everyone who receives this letter could commit to giving just \$10 a month we would be financially fully supported and have extra funds to make regular trips overseas for vbs or tech assistance to ACTION missionaries abroad. You can give online, via check in the mail, or call the ACTION office. We pray for your involvement with us for a chance to have a bigger impact for God's Kingdom. We are very grateful for the 19 family and friends and 3 churches who continually give financially to enable us to be missionaries. We always appreciate and value your prayers on our behalf for our health and focus. We thank the LORD for each one of you who pray or give on our behalf. We hope your holiday season is blessed!

Happy Thanksgiving, Merry Christmas, and Happy New Year!

Rob, Catherine, and Ethan
